Numbers 13: 27-33

²⁷ They gave Moses this account: "We went into the land to which you sent us, and it does flow with milk and honey! Here is its fruit. ²⁸ But the people who live there are powerful, and the cities are fortified and very large. We even saw descendants of Anak there. ²⁹ The Amalekites live in the Negev; the Hittites, Jebusites and Amorites live in the hill country; and the Canaanites live near the sea and along the Jordan."

³⁰ Then Caleb silenced the people before Moses and said, "We should go up and take possession of the land, for we can certainly do it."

³¹ But the men who had gone up with him said, "We can't attack those people; they are stronger than we are." ³² And they spread among the Israelites a bad report about the land they had explored. They said, "The land we explored devours those living in it. All the people we saw there are of great size. ³³ We saw the Nephilim there (the descendants of Anak come from the Nephilim). We seemed like grasshoppers in our own eyes, and we looked the same to them."

Questions for Discussion

1. Have you ever been lost? What do you remember about that experience and what happened next?
2. Why do you think that the Israelites decided to judge for themselves if God's plan would work?
3. When is a time when you decided to trust God's instructions instead of your own intuition? What happened?
4. Has following God ever made you look like a grasshopper to others? What advice would you give to someone feeling that way today?
5. What "next step" will you take this week toward following God's roadmap for your life? Who is someone who could keep you accountable toward taking that step?

As you close your time together, have each person share a word that represents a step that God is asking them to take this week and lift those words up to God during a time of prayer.
